

Paradise Lodge @ Studio X

Friday November 22

6:30-9:30

The collaboration between Paradise Lodge and Studio X marks the culmination of a 3 week residency project in Lonavala and Mumbai curated by Emma Hunt (UK) and Chinmoyi Patel (IN). The residency brought alumni from the MFA programme at Goldsmiths in London and M.S. University in Baroda together for a concentrated period of artistic creation, interaction and dialogue. The unique location of the residency offered the artists a chance to reflect on their practices within the context of a colonial bungalow 'Paradise Lodge' and the burgeoning town of Lonavala. From self-assertion and minimal gesture, to more elaborate concepts and interactions, the multifaceted exhibition at Studio X showcases a variety of artistic disciplines and cultural backgrounds in which the changing rhythms of urban life are a recurring theme.
